PROCEDURE
REFERENCES
1
Search terms and sources
General and focused queries; citation searching
Kitchenham and Charters (2007)
Wohlin (2014)
2
Eligibility criteria and study selection
Link versions; assess titles, abstracts, and full texts
Kitchenham and Charters (2007)
3
Evidence extraction and appraisal
Methods, assumptions, evaluation, and findings
Kitchenham and Charters (2007)
4
Comparative synthesis
Compare mechanisms and application evidence
Webster and Watson (2002)
5
Counterfactual comparison
Test proposed gaps against existing capabilities
Booth et al. (2013)
Research gaps and comparisons to investigate
